## Our line card

A premier technology marketing and distribution company with prime focus in Embedded & Optical Electronics, Communication & Networking Platform Solutions. CONSS offer active and passive electronic components as well as Instruments, rugged Display and Software Solutions. We cater most of the industry segments like consumer electronics, telecommunication access and backbone equipment manufacturing and system implementation, industrial equipment manufacturing, Aerospace, are serviced by CONSS in one form or another.

We specialise in supply of industrial, High grade Electronic components, RF Microwave and various other instrumentation products along with test & measuring instruments. Mil Grade & Industrial grade Display Systems, Soldering Stations We specialise in all Integrated Circuits -- ADC'S, DSP'S, FPGA'S, CPLD'S, MICRO-CONTROLLERS, POWERPCs, MEMORIES, ACCELEROMETERS, GYROS etc. Mil-grade Diodes, Capacitors, Resistors, Inductors, 1553B PCMCIA, USB, PCI, PCMCIA Cards.

We Supply all European Approved Components And Russian Components like **DC DC CONVERTER** from Datel (Murata), Vicor, Astec Emerson, Lambda, Gaia - France, Inter point- USA, C&D Tech,

**MIL-GRADE OSCILLATOR** from QTECH, VECTRON, MURATA, CRYSTEK, EPSON, MORIAN (RUSSIA).

**DIODES** from MICROSEMI, SEMTECH, IR, SENSITRON, FAIRCHILD, MOTOROLA.

**RESISTORS & CAPACITORS** from TYCO, RAYCHEM, AVX, KEMET, VISHAY etc.

**Micro D38999/MS Series II/Series III connectors, back shells** from all reputed brands like Amphenol , conesys(Aero) , Radiall , FCI, Souriau , Glenair , Cristek , Airborn, Tyco- Raychem ,ITT Cannon , Positronics(India, Singapore, Europe and USA) and Nano Connectors-Glenair, Tyco, Airborn, Cristex and many more.

**RUGGED SYSTEMS:** Getac, Panasonic, Siemens, Vartech USA, Fastwell etc.

**SOLDERING STATION:** WELLER & JCB

**CLEAN ROOM ITEMS:** TEXWIPE USA.

We also source and supply Inductors, Thermistors, Cables, Cable Assemblies, Mil-grade Relay/Switches, Pressure Temperature Sensors/Transducers etc.

Apart from these we specialise all RF – Microwave components & accessories from RADIALL, H&S, KONNECTRF, MINICIRCUITS, RFMD, HITTITE etc.

### Test & Measuring Instruments

We deal in all kinds of testing Instrumentation like Digital Oscilloscope, Spectrum Analysers, Programmable Power Supply, Potentiometers, Surge meters, Vector Signal Generators, Digital Panel Meters etc.

Regards

Ravish Soni (99203 52009)

## Our Offerings
